STAT

1. This is to advise you that SAC has "frozen" [REDACTED] for eventual assignment to Detachment "B". Further, they will make him available for interview and testing at Agency convenience.

2. Due to AF policy he cannot depart Little Rock AFB, his current station, PCS-PCA until 1 July 1956. It is hoped all clearances can be completed prior to that date so that he can immediately report here for processing and then proceed to Watertown for the final stages of our training period.

3. I will greatly appreciate your support in this matter.
